REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the prior art references fail to either singularly or in combination show: (b) forming a first conductive layer on said substantially monolithic body of semiconductor material; (c) etching said first conductive layer to define an edge of floating gate structures and to expose a portion of said semiconductor material on said vertical source line; after step (c), (d) implanting dopants into said exposed portion of said vertical source line; after step (d), forming a second conductive layer overlying said first conductive layer; (f) etching said first and second layers to form floating gate and control gate structures which intersect said isolation structures as specified in claim 8.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Drawings

Figure 8 should be designated by a legend such as --Prior Art-- because only that which is old is illustrated. See MPEP § 608.02(g).

The application having been allowed, formal drawings are required in response to this Office Action.
